Grading Method

The grading system practiced is one applicable beginning the first day of class for all students. Theory assignments are scheduled for each unit of study as defined by the licensing agency. Theory and practical applications are sequentially introduced as a means of integrating them throughout the course of study. The sequences follow an ascending order to acquaint the student with subject material applicable to their level of study and to correspond accordingly with the number of cumulative hours the student has attended classes. Students receive grades for all required units of study during study specific to the enrollment agreement.

GRADING

Academy for Salon Professionals uses a 100-point grading scale: 80-100% is passing, 0-79% is not passing. Grades are given for classroom work, projects, and styling area performance. Work habits, appearance, conduct, initiative, cooperation, and attendance are also considered. When on the school premises, students shall conduct themselves in an orderly and considerate manner and shall appear for classes in a sober and receptive condition. Violation of this condition is a just cause for dismissal. Grading will be completed within one week of the due date or date turned in. Students may view all their clocked time and grades in their portal at any time. It is their responsibility to stay on top of their portal to ensure they are not missing any schoolwork or clock issues.

INCOMPLETES

Incompletes may be given by the educators when the student is making every attempt to learn a skill or subject but requires additional time to complete the work successfully. Educators determine the time to complete the work. The student will be given a deadline and description of work that must be completed.

INADEQUATE GRADES/ACADEMIC ADVISING

When a student is weak in one or more areas of study or skill, the educators will determine a deadline for the student to complete the work satisfactorily. Inadequate grades may indicate lack of motivation as well as inability. The student will be informed immediately after a grading period how a deficiency can be corrected. The student will be advised during the grading period if grades are below standard and what course of action is to be taken to make-up. Students may be placed on written warning, monitoring period or probation.

Student Academic Progress Policy

Satisfactory Academic Progress Policy (SAP) THE SATISFACTORY ACADEMIC PROGRESS POLICY IS CONSISTENTLY APPLIED TO ALL STUDENTS ENROLLED AT THE SCHOOL, REGARDLESS OF ENROLLMENT STATUS OR FINANCIAL CIRCUMSTANCE. IT IS PRINTED IN THE CATALOG TO ENSURE THAT ALL STUDENTS RECEIVE A COPY PRIOR TO ENROLLMENT. THE POLICY COMPILES WITH THE GUIDELINES ESTABLISHED BY THE NATIONAL ACCREDITING COMMISSION OF CAREER ARTS AND SCIENCES (NACCAS) AND THE FEDERAL REGULATIONS ESTABLISHED BY THE UNITED STATES DEPARTMENT OF EDUCATION.

Students at Academy for Salon Professionals must maintain a minimum of 80% Academics (qualitative) and Attendance (quantitative). Students are required to attend a minimum of a minimum of 80% of the hours possible based on the applicable attendance schedule to be considered maintaining SAP. The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Homework grades, laboratory procedures, chapter tests, exams, and projects completed are used for all evaluations.

The time frame in which a student must complete the educational program may not be more than 125% of the published length of the educational program measured in clock hours. Example step 1: a minimum of 80% attendance rate x 1200 hours = 960 hours. Example step

2: 1200 clock hours / 1500 hours = 125%. The Academy for Salon Professionals current programs use an academic year that is 900 clock hours in length and 26 weeks to determine title IV eligibility.

Maximum Hours

1200 (program hours – Cosmetology) x 1.25 (Maximum Time Frame) = 1500 (Max number of Hours)

Maximum Weeks

1200 (program hours – Cosmetology) / 31.5 (full time hours per week) = 38 (weeks to complete the program) 38 (weeks to complete the program) x 1.25 (Maximum Time) = 47.5 Maximum Weeks to complete the program.

Maximum Hours

600 (program hours – Esthetics) x 1.25 (Maximum Time Frame) = 750 (Max number of Hours).

Maximum Weeks

600 (program hours – Esthetics) / 34 (full time hours per week) = 17.65 (weeks to complete the program) 17.65 (weeks to complete the program) x 1.25 (Maximum Time) = 22.06 = 22. Maximum Weeks to complete the program.

Students who do not complete the program to the maximum 125% published length will be terminated, institutional and R2T4 refund policy will be in effect.

Students who take documented approved Leave of Absence will have their contract period and maximum time frame extended by the same number of days taken on the Leave of Absence. Qualitative factors will be used to evaluate and determine academic performance using reasonable systems of grades and/or work projects and/or comparable factors measurable against the norm – qualitative factors are assigned homework, practical exams, theory exams, practical assignment.

Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. Practical skills are evaluated according to text procedure and set forth in practical skills evaluation criteria adopted by Academy for Salon Professionals.

Academy for Salon Professionals contains a grading scale that includes a minimum acceptable level of progress at least the equivalent of a minimum of 80% cumulative grade average or have an academic standing consistent with Academy for Salon Professionals requirement for graduation, whichever is higher.

90-100%	Excellent
80-89%	Good Passing
0-79%	Below Satisfactory

Students' attendance and academics are measured at specific points in their program. Failure to be at a minimum of 80% at any SAP point may result in written warning, probation, loss of Financial Aid, and/or expulsion. Student Academic Progress policy check points are based on the following actual hours: 450 hours, 900 hours, and 1200 actual hours for Cosmetology students and Esthetics students at 300 and 600 actual hours. The first evaluation must occur no later than the midpoint of: the academic year or the course and/or program, whichever occurs sooner. All evaluations SAP will be completed within 7 business days following the established evaluation points. The academic and attendance rates are reflective of actual evaluation date. Students who meet a minimum of 80% attendance and academic performance are considered making satisfactory progress until the next evaluation point. Students who fail to meet the minimum requirements for attendance or academic progress at an evaluation period are placed on written warning and considered to be making satisfactory academic progress during the warning period, until the next scheduled evaluation point. Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum a minimum of 80% attendance and academic requirements by the end of the evaluation period. Students who fail to meet the minimum requirements for attendance or academic progress after warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who could meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the maximum time frame. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress.

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within 10 calendar days. Reason for which a student may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form with supporting documentation of the reason why the determination should be revised. This information should include why the student failed to make satisfactory academic by the next evaluation point and what has changed in the student's situation that will allow the achievement of satisfactory academic progress at the next evaluation. Appeal documents will be reviewed, and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be to place the student on probation and federal financial aid will be reinstated, if applicable. Acceptable supporting documentation for an appeal as follows: Doctors' Notes, Obituaries, Counseling Records, and a Narrative Statement. Students deemed not maintaining Satisfactory Academic Progress, may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal of the determination that has resulted in the status of probation.

Warning: The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

Probation: The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds and may be dismissed from the program.

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken on the leave of absence and will not be included in the student's cumulative attendance percentage calculation.

Students who withdraw prior to the completion of the course and wish to re-enroll will return to the same satisfactory academic progress status as at the time of withdrawal.

Noncredit, remedial courses and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

Regarding Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

Students will receive an email of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Student Academic Progress Determination reports will be kept in the student files in the Financial Aid office. Students may access their Loan Disbursement Notification Letter via Student Portal.

Teaching Method

Students must attend class instruction in the art and science of cosmetology and esthetics. Such technical instruction shall be accomplished by demonstration, lecture, CIMA, classroom participation, GroupMe and examination. This includes introduction, demonstration, and application of material implements and equipment's which are applicable to the trade. Emphasis is given to the accepted basic procedures and their execution, as well as opportunities for exposure to current and stylized trends, fashions, techniques, and deviations from and/or variations of procedure.

Training and opportunity for the practice of all manipulative skills required in Cosmetology and Esthetics. For this purpose, practical operations are hands-on training by the student of a complete service on another person or on a mannequin. Correlation between theory and practical work will hasten the learning process and serve to mitigate the difficulties in mastering Cosmetology and Esthetic skills. Evaluation will determine progress and reveal deficiencies where additional help is needed.

A blending of interest, motivation, training, and knowledge in the scientific study and practice of cosmetology arts and sciences will help qualify students in their pursuit of a Cosmetology and Esthetic licenses. A total of 1,200 hours is required by the State of California for a cosmetology license and 600 hours are required for an Esthetics license.

Implementing a course of study, accomplishing all the foregoing objectives in the required allotted time to prepare students to the best of their ability for positions in the field of Cosmetology arts and sciences.

Classes are taught in English only. Students without a Social Security number are unable to sit for the State Board of Cosmetology, and all prospective students without the appropriate paperwork requested by the State Board are apprised of this fact. The Academy does not offer VISA services to our students. All students attending the Academy must present a high-school diploma or its equivalent to attend the school; there is no Ability to Benefit Test offered to prospective students. Operations are performed on manikins, students, models, and clients. Students service consists of the following: facials, waxing, makeup, haircuts, hair color, hair styling, and chemical services.

Academy Policies

ATTENDANCE AND TARDINESS

When you sign your enrollment contract, you are given an anticipated graduation date. Your tuition covers all fees up to that date. Academy for Salon Professionals will continue to train Cosmetology students toward their completion for an additional 30 hours at no charge, and Esthetics students for an additional 20 hours at no charge. Once a student has exhausted the additional 20/30 hours of training, each hour will cost \$20. These 20/30 hours are not applied until you have completed all course hours 600/1200. Days off, sick days, mental-health days, personal religious holidays, etc. are subject to this charge. Documented medical emergencies, court days, pre-arranged-and-contracted-days-off, and funerals are not subject to this overage charge. Doctor's notes do not excuse absences unless they are 3 or more days consecutively. The doctor's notes must be faxed into the school (818) 701-5227 while absent, the doctor's note must have the date seen and the return to school date listed. The doctors note submission will be reviewed for possible excused absence. The doctor's notes must be received no later than 48 hours upon return to school or will no longer be considered for excused absence.

TARDINESS

Be prompt! If you are, report to the salon administration staff before entering class or the salon area. If you are tardy and clock in after 9:00 am or 5:30 pm more than two times within a 30 - day period, it is considered an absence and, on the 3rd, tardy you will be sent home. If you arrive after 9:05 am or 5:35 you may not attend class and will be suspended for the day/night.

ABSENTEEISM

An attendance rate of a minimum of 80% must always be maintained by every student. Should a life circumstance cause you to be absent, it is mandatory that you contact your instructor or a staff member before class begins for the day (email or phone are acceptable); If a student does not maintain a minimum of 80% attendance, corrective action will be taken. Correction will be expected immediately and must be maintained. For those students with FSA or VA funding, notification will be sent immediately if student is terminated or if FSA Probation is initiated.

14 DAYS ABSENT POLICY

Students who are absent for 14 consecutive days are considered to have abandoned school and are withdrawn from the program on the 15th day.

FRIDAY Absence

Fridays not requested off by the Tuesday prior will result in students being suspended for missing a Friday without prior approval. This means even if you are "sick" that day only, you will be suspended. If you are out on Thursday because you are sick, please email (Danielle, your teacher and Jill) or call (talk to one of us) and we can put you out for Friday. Again, you must have been out sick Thursday for this to be a request off for Friday for being sick.

LEAVE OF ABSENCE (LOA) Policy

Academy for Salon Professionals acknowledges that on occasion, students are forced to take an approved Leave of Absence. Students must follow the Academy LOA policy.

Reasons for Approved Leave of Absence (LOA):

- 1) Medical/health issues

- 2) Family (Immediate) Emergencies
- 3) Financial Hardship
- 4) COVID

Leave of Absence requests must be presented in writing in advance unless unforeseen circumstances prevent the student from doing so and that the request must be in writing, including the student reason for the LOA signed and dated by the student. It will be forwarded and reviewed by the board. If possible, a student needs to present documentation to support the request for a LOA, though a student's statement will be accepted in some cases. Paperwork for the LOA is processed in the Financial Aid Office. Academy for Salon Professionals reserves the right to deny a LOA based on the facts provided. For the school to approve the LOA, there must be a reasonable expectation that the student will return from the LOA.

An LOA may be granted to a student who did not provide the request prior to the LOA due to unforeseen circumstances if the Academy documents the reason for its decision *and* the Academy collects the request from the student later. The Academy establishes the start date of the approved LOA as the first date the student was unable to attend.

When approving the LOA, Academy for Salon Professionals will not assess the student any additional institutional charges, and the student's need may not increase. The Financial Aid Administrator will, if the student is a Title IV loan recipient, explain to the student, prior to granting the LOA, the effect that the student's failure to return from an LOA may have on the student's loan repayment terms, including the expiration of the student's grace period. The LOA extends the student's contract period and maximum time frame by the same number of days taken in the Leave of Absence. An addendum to the enrollment agreement must be signed by the financial aid department and students.

A Leave of Absence may not exceed 30 days, though a student may request an additional leave of absence prior to the end of a Leave of Absence, if necessary, the student will begin at the point he or she left the program. A student will not be granted a LOA if the LOA, together with any additional LOA's previously granted, exceeds a total of 180 days in a 12-month period. The 12-month period" begins on the first day of the student's initial leave of absence. A student in Phase I at Academy for Salon Professionals who requests a LOA will be required to follow a specialized program created by the educator upon return, and cannot expect to resume in the Phase I class he or she was previously in. The class selection will be the Educator's choice, not the student's, to maximize the education and minimize the effect of the LOA.

A student granted an LOA that meets the criteria in this section is not considered to have withdrawn, no R2T4 calculation is required, and the Academy refund calculation is not required either. Upon the student's return from leave, he or she continues to earn the Federal Student Aid previously awarded for the period. While the LOA absence is not subject to overage charges, or Financial Aid returns.

Students' contract period will be extended by the same number of days taken in the LOA. An addendum to the enrollment agreement must be signed by the student and the Financial Aid office, the student will receive a copy of the addendum with their revised end date.

If the student wants to return prior to the 30th day, and they can resume immediately at the level the student was at when the LOA began, the student may return early from the LOA. Should a LOA need to be extended past the 30th day, the student must contact the Financial Aid Administrator (FAA) to request a NEW LOA BEFORE the original LOA ends. The extension must be signed by both the student and the FAA.

Students who take an unapproved LOA or fail to return from an approved LOA, the student will be withdrawn. The Date of Determination will be the day that the student failed to return from the LOA, the Academy is required to take attendance, the students withdrawal date for the purpose of calculating a refund will be the students last day of attendance. Should a student decide not to return to Academy for Salon Professionals while on an approved LOA, the date of notification (in writing) would be the Date of Determination, and the Date of Withdrawal would be the last day of attendance. Federal Student Loan repayment is determined by the Date of Withdrawal, not the Date of Determination.

A student who must take an approved leave of absence or must withdraw from training for non-academic reasons may return to the program with no loss of progress if the student was making progress when the student left. Students taking a LOA during Phase I of the program will be placed in a classroom at the same point at which they left, so a student in Phase I cannot expect to re-join the same classmates he or she had at the onset of the LOA and it is possible that the student will not be able to return on his or her day of preference, due to scheduling.

MAKE-UP WORK POLICY

Must be approved. If you choose not to make up work and go over contract (30/20) hours allotted) you will have to pay \$20 an hour. Students may make-up any work missed during their absence at the discretion of the instructor. • Stay later/earlier than scheduled (sign

book by 9 AM day students, 9pm evening before-night students), once past Phase 1 you can make up hours. If you missed Phase 1 you may plan with your instructor for the day to stay after 3pm to be taught what you missed • No outside hours will be accepted in Phase 1. If you are absent from school, you may not do make up hours on that same day. If you are absent on Thursday night or Friday, you may not turn in any makeup hours for that weekend or holiday break. • Extra hours need to be turned in next school day or 48 hours, whichever comes first, to get credit for the hours. • If you have any questions please reach out to Danielle Johnson. No makeup hours will be accepted 2 weeks prior to graduation (Esthetics Day 537 hours, Esthetics Night 568 hours, Cosmetology 937 hours)

This school uses software published by RGM software and DaySmart to track student participation and attendance. Specifically, the system will allow your instructor to record the hours you spend taking the course by tracking both your hours at the school, your time performing various duties, your lab time, practice time, and your specific skills development.

SUSPENSION/TERMINATION

Students may be suspended for absence, tardiness, or inappropriate behavior. If a student is suspended, the student will be notified of the problem and what the student must do to correct the problem. It is the intent of Academy for Salon Professionals to prepare professional people for a career. If a student is not so inclined and has limited likelihood of success in this career, it is the responsibility of Academy for Salon Professionals to inform the student and to tell the student how deficiencies can be corrected. If terminated for cause (academic, attendance or attitude), students may (at the discretion of Academy for Salon Professionals manager and in accordance with FSA limitations), after presenting a detailed, written plan outlining the student's commitment to the program, return to Academy for Salon Professionals to continue the program. Should the student, at any time after his or her return, fail to live up to the submitted plan, immediate termination would result, and the student would not be allowed back to Academy for Salon Professionals.

TUTORING SERVICE

Arrangements may be made for tutoring if a student requires or desires such assistance. The fee would be negotiated between the student and the tutor. The school limits its responsibilities in this regard to helping with finding a tutor.

You will be clocked out and will not receive hours until you return in compliance with Academy for Salon Professionals standards.

The dress code for Academy students is all black standard scrubs. Long sleeve shirts may be worn under an Academy shirt or scrub top, outer wear must be a black cardigan (no hoodie, sweatshirt / jacket). Academy shirts will be provided, additional shirts may be purchased through the student store. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds.

A registration fee of \$250.00 is a **non-refundable item**. Equipment, books, supplies, tools, uniforms, kits and any other items **issued and received by the student** would not be returnable **after cancellation period**. Once received by the student it will belong to the student and will represent a liability to the student.

If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and equipment received. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. See the Refunds section below. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance. Official withdrawal date is on the student's notification or school's determination.

Determination of withdrawal from school: The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

The date you notify the Financial Aid Office of your intent to withdraw. Only the Financial Aid Office would be authorized to accept a notification of your intent to withdraw.
The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.
The date you fail to attend classes for a two-week period and fail to inform the school that you are not withdrawing
The date you failed to return as scheduled from an approved leave of absence. The withdrawal date shall be the last date of recorded attendance. The date of the determination of withdrawal will be the scheduled date of return from LOA.

Course Cancellation: If a course is cancelled after a student's enrollment and before instruction in the course has begun, the school shall at its option: 1) Provide a full refund of all money paid; or 2) Provide for completion of the course at schools in the neighborhood.

School Closure: If the school closes after a student's enrollment and before instruction in the course has begun, the school shall at its option: 1) Provide a full refund of all money paid; or 2) Provide for completion of the course at schools in the neighborhood.

Return of Title IV: Special note to students receiving Unsubsidized/Subsidized/PLUS/Perkins loans, ACG/National SMART/Pell/SEOG grants or other aid, if you withdraw from school prior to the completion of the equivalent to **60 percent** of the workload in any given payment period, a calculation using the percentage completed will be applied to the funds received or that could have been received that will determine the amount of aid the student earned. Unearned funds would be returned to the program in the order stated below by the school and/or the student. Student liability for loan funds will continue to be paid in accordance to the original promissory note terms. Funds owed by the student to the Grant programs are limited to 50% of the gross award per program received. Sample Calculation, completion of 25% of the payment period or enrollment period earns only 25% of the aid disbursed or that could have been disbursed. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by the institution during the period of enrollment. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of

the following may occur: (1) The federal or state government or a loan guarantee agency may act against the student, including garnishing any income tax refund to which the person is entitled, to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

Student Tuition Recovery Fund (STRF): 5, CCR § 76215 (a)

“The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF, and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.”

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education.

1747 N. Market Blvd. Ste 225 Sacramento, CA 95834. (916) 574-8900 or by fax (916) 263-1897

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss because of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution or were enrolled in an educational program within the 120-day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution more than tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.”

Refunds: If any refunds are due based on the Return of Title IV calculation or based on the institutional refund policy calculation, any refunds will be made as soon as possible but not later than 45 days from the determination of withdrawal date in the order stated in section CFR 34 section 668.22. The order of payment of refunds is, 1) Unsubsidized Loans from FFELP or Direct Loan, 2) Subsidized Loans from FFELP or Direct Loan, 3) Perkins Loans, 4) PLUS (Graduate Students) FFELP or Direct Loan, 5) PLUS (Parent) FFELP or Direct Loan, 6) Pell Grant, 7) Academic Competitiveness Grant (ACG), 8) National SMART Grant, 9) Federal SEOG, 10) Other. This order would apply in accordance to the aid programs available at the institution. More details on the policy are in our orientation.

AWARD CONCEPT, SELECTION OF RECIPIENTS AND PACKAGING CRITERIA

The Academy does not receive enough campus-based funds to satisfy all the students' financial needs. Therefore, the school emphasizes the SELF-HELP CONCEPT of student financial assistance. The SELF- HELP CONCEPT is a first come, first serve basis when awarding eligible applicants. If the student does not wish to assume the combined debt of two or more loans, they may decline any loans offered by the school. All loans must be repaid.

The SELF-HELP CONCEPT lists types of financial assistance in the following order:

1. Family Contributions
2. Other Resources
3. Federal PELL Grant
4. Self Help (Stafford and/or PLUS loans)

DEFINITIONS: The following definitions correspond to some common terms used within the financial aid terminology:

ACADEMIC YEAR: A period of not less than 26 weeks of instructional time with a minimum of 900 clock hours on instruction for a full-time student. The midpoint of the academic year shall be a minimum of 13 weeks and at least 450 clock hours. In effect, all students enrolled in courses with an academic year schedule to be completed in less than 26 weeks, regardless of the number of clock hours offered, would have aid eligibility reduced in proportion to the number of weeks and hours during student in relation to the academic year.

CLOCK HOUR: Consists of 50-60 minutes of supervised instruction during a 60-minute period.

CREDIT BALANCE: A credit balance occurs when tuition payments have been received by the Academy more than the amount of charges assessed to the student. Credit balances are paid within 14 business days from the day the credit balance was generated. Students must be responsible for budgeting their own funds and for securing that the funds are used for education-related expenses.

ESTIMATED FAMILY CONTRIBUTION (EFC): The calculated amount that a family contributes to offset the student cost of attendance.

PARENT(S): For the purposes of the financial aid programs, a 'parent' is the mother and/or father or adoptive parents, stepparent, or legal guardian – not foster parent.

PAYMENT PERIOD: 450 hours and 13 weeks for courses of 900 hours or more. It is the midpoint of the program for courses of less than 900 hours and 26 weeks.

NEED: Financial need is the amount left over after subtracting the expected family contribution from your cost of attendance.

FINANCIAL AID - CONSUMER INFORMATION: To assist the student in making a more educated decision about enrolling, the institution provides the following disclosures during enrollment, in the catalog, at orientation or on www.academyla.com:

1. The right to inspect and review the student’s education records within 45 days after the day Academy for Salon Professionals receives a request for access. A student should submit to the registrar a written request that identifies the record(s) the student wishes to inspect. The registrar will plan for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student’s education records that the student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA. A student who wishes to ask the school to amend a record should write to the Academy for Salon Professionals registrar, clearly identify the part of the record the student wants changed and specify why it should be changed. If the school decides not to amend the record as requested, the school will notify the student in writing of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to provide written consent before Academy for Salon Professionals discloses personally identifiable information (PII) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

A school official has a legitimate educational interest if the official needs to review an education record to fulfill his or her professional responsibilities for Academy for Salon Professionals. Upon request, the school also discloses education records without consent from officials of another school in which a student seeks or intends to enroll.
5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Academy for Salon Professionals to comply with the requirements of FERPA. 6. The Academy provides access to students & other school records to its accrediting agency.

Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, §99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining prior written consent of the student to other school officials, including teachers, within Academy for Salon Professionals whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(J)- (a)(1)(i)(B)(2) are met (§99.31(a)(1)) the student’s enrollment or transfer, subject to the requirements of §99.34.
